"Why Replace With STEPTREADS?"

- never need to paint
- comparable cost to 4X wood
- non-slip—prevent lawsuits
- won't chip, rot, or burn
- stain-repellant surfaces
- virtually maintenance-free
- increases property value
- quieter than wood or steel

Kona Sea Villas.
With matching mid landings

Alii Cove with 90° landings

Kona Coast Resort replaced thousands of treads

Alii Lani. This project on Alii Dr. built in several phases. Developer Sunstone has used STEPTREADS on 4 more projects
