Classic Wall Cap by Stepstone, Inc.®

...will change the way you finish concrete walls. Classic Wall Cap combines distinctive good looks with high strength, hardrock concrete. You will find that Classic Wall Caps work perfectly as garden bench seats or as a design element that will refine your walls' appearance.

Classic Wall Caps are available in twelve colors. The Classic Wall Cap System includes corners, end pieces, radius', straights and pilaster column caps to complete any project. Custom colors and finishes may be available upon request. Call Stepstone, Inc. for more details and dealer information.
