

STEPTREAD Job Tour / Gartley Hall, UH Manoa

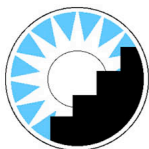

Here's Gartley Hall, an historical renovation at UH Manoa, by contractor Nan Inc. Completed Jan. 2014. All the inside stairs were precast Long Span Steptreads by Stepstone Inc. Surface is sandblasted, occasionally used for high end inside jobs.

Complete landings are also available to complement Long Span Treads. Both are made with weld plates for welding to steel stringers.

Our Long Span Treads can span up to 8', with widths to 15". This job called for lengths to 6'9", with widths from 12 to 13-1/2".

Gartley Hall was constructed in 1921, one of the oldest at UH, is on the Historical Register. Reconstruction was budgeted at \$12 mil, and was begun in '07, with goal completion in '08!
