

Showing off STEPTREADS Hualalai Village Job Pics

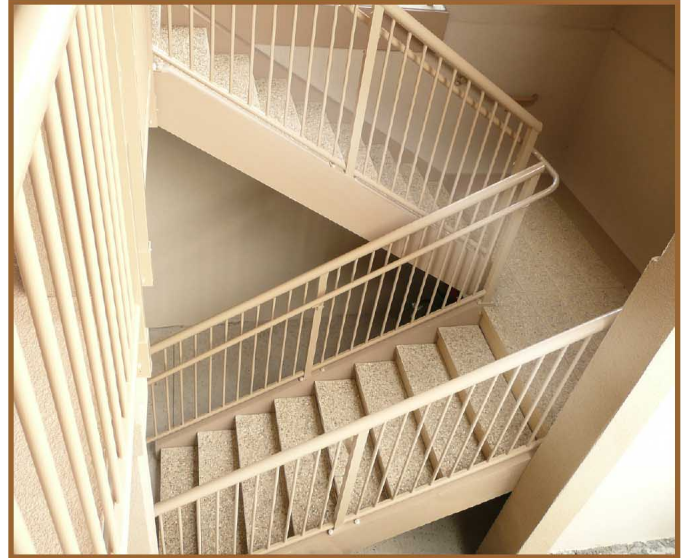

75-346 Hualalai Rd., Kona

Contractor: Betsill Bros Construction

Completed 2008

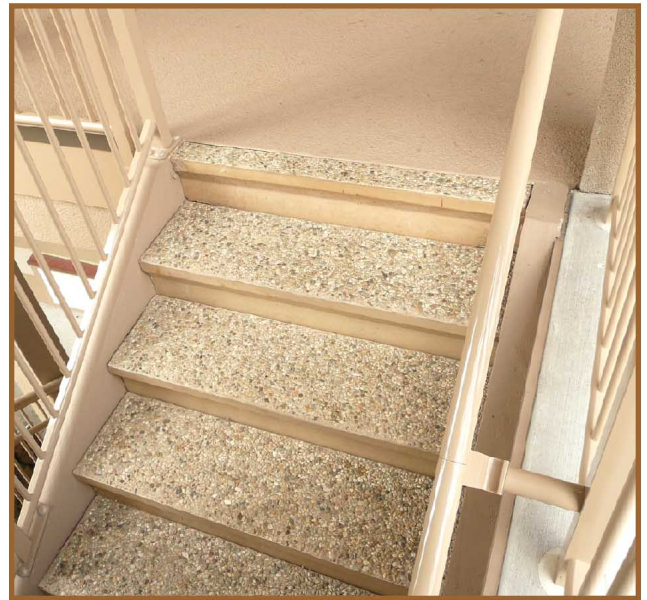

Here's a typical 180° Steptread Landing

STEPTREADS and matching landings
were used in these 3-story fire towers

Here's transition to an intermediate 180° landing

Here's the transition to the upper landing
runway, using our Starter Nosing Step
