

# STEPTREAD Job Report

## KONA SEA VILLAS

at 75-6060 Kuakini Highway  
in Kona, Sold out in 2004.

Sandy Beige STEPTREADS  
with bullnose were used,  
with matching intermediate  
landings.

The developer, Sunstone  
Realty, likes STEPTREAD'S  
ease of installation, the  
durability (none were  
cracked or broken during  
installation), safety, and  
"second floor appeal"  
saleability.

Contractor: Bodell  
Construction. Next they  
proceeded to Alii Cove, also  
using STEPTREADS.
