

STREPTREAD Job TOURS

3833 L. Honoapiilani Rd, Lahaina.
Res. Mgr. Mike Buchanan: "Your
Streptreads are a great hit with our
homeowners. We love the way they look,
and how strong they are. Before, our
heavier homeowners wouldn't walk in the
middle of our 2X12 wood treads!"
Color: Cafe Brown. Bullnose.

3701 L. Honoapiilani Rd, Lahaina.
All 3 runs were replaced in late '04 by
the the contractor who said: "It's a
simple system to install." Color: Cafe
Brown, Del Rio exposed aggregate.

Below were the old treads. Now no
more painting, splinters, or slipping.
Owners tell us: "Streptreads are a lot
quieter and safer than our old wood
stair treads." The stringers and railings
were reuseable.
