

STEPTREAD Job Tour

Pointe at Waikoloa

68-1785 Melia St., Waikoloa Village, Big Isle

This project was completed by Metcalf Construction Co. in early 2006. Open-Riser STEPTREADS and landings by STEPSTONE Inc of California. Color: Hawaiian Sand. Finish is Del Rio exposed aggregate.

The 2 pics directly below show a 180° landing. The middle pic at left shows a pair of 90° landings. The insert pic shows how the stair runs transitioned at the top using a 4" deep Steptread, to a tile runway. Construction managers Sonny and Sharon & framer Jerry: "we love your treads!"
