

STEPTREAD Job Tour

PuuAlii 1 Kaneohe Bay Drive/Oahu

Ocean-side salty air is death to wood stair treads. Solution: **STEPTREADS**. Replaced 500 treads in-house over 3 years.

STEPTREADS—safely UP

No one slips on our exposed aggregate
Color: Cafe Brown

BEFORE-UP. Ask any appraiser how
“curb appearance” affects value . . .

STEPTREADS—safely DOWN

See the beauty of our exposed
aggregate surface. 5 year stain
repellant sealer minimizes
maintenance. Exposed aggregate
surfaces and noses NEVER chip.

BEFORE-DOWN. Here's why insur-
ance companies hold their breath--
and raise their premiums
