

# Semi Closed-Riser STEPTREAD

## Job Tour

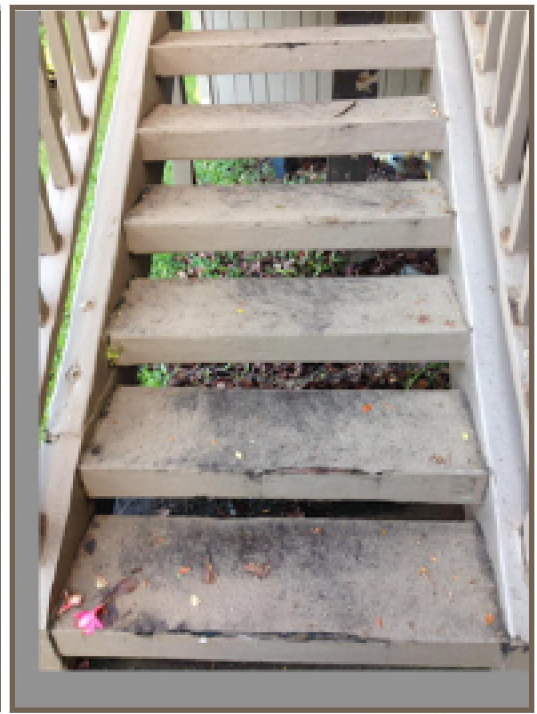

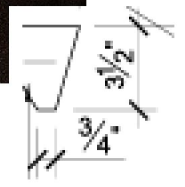

Kipa Village/Napili, Maui

**The best rehab solution if stringers need to be replaced as well as your old wood treads**

These Semi Closed-Riser Treads by STEPSTONE Inc meet most code requirements for a rejection of 4" sphere between treads. (these allow only 3.5")

Profile of Tread

Above & Below: **AFTER** replacing the 20 year treads & stringers. Above: **BEFORE**
